

Title	Country	Topic	Crop/s	Financing	Period from-to	Partner/s - recipient country	Contact person - recipient country	Danish organisation	Contact person - Denmark
ISTA accreditation of Laboratory	Tanzania	Training in ISTA seed testing methods and rules	All locally relevant crops	Danida	2005-2007	Tanzanian Official Seed Certification Institute	Mr. Lumbadia, Ms. Maingu	Danish Plant Directorate	Anders Lomholt
OECD Seed Schemes accreditation	Tanzania	Training in OECD Seed Schemes for seed certification	All locally relevant crops	Danida	2005-2007	Tanzanian Official Seed Certification Institute	Mr. Lumbadia, Ms. Maingu	Danish Plant Directorate	Anders Lomholt
Seed Health and Quality	Denmark	Course on Seed Quality	Seed crops	External	2008-	Asia /Africa/S.America	A. Lomholt/O.S.Lund	PDIR/DSHC	
-	Denmark	Improvement of seed health in developing countries	-	Danida	2006-2011	-	-	Danish Seed Health Centre	Jan Torp
-	India	Asian Seed Health Centre	-	Danida	2006-2011	Univesity of Mysore	-	Danish Seed Health Centre	Carmen Mortensen
-	Tanzania	African Seed Health Centre	-	Danida	2006-2011	Sokoine Agricultural University	-	Danish Seed Health Centre	Carmen Mortensen
-	Vietnam	Capacity Enhancement Programme, CEP	Rice Groundnut	-	-	NCVESC/NIPP/HAU/HUAF/CLRRI	Dr Dung	Danish Seed Health Centre	-
-	Nepal	Seed Health Improvement Programme	Several	-	-	NARC	Dr Hira	Danish Seed Health Centre	-
-	Bangladesh	Seed Health Improvement Programme	-	-	-	in preparation	-	Danish Seed Health Centre	-
-	Uganda	Seed Health Improvement Programme	Several	-	-	University of Makerere	Dr Ssebuliba	Danish Seed Health Centre	-
-	Kenya	Seed Health Improvement Programme	Several	-	-	in preparation		Danish Seed Health Centre	
-	Mozambique	Seed Health Improvement Programme	Several	-	-	University of Eduardo Mondlane	Mondjana	Danish Seed Health Centre	-
-	Burkina Faso	Seed Health Improvement Programme	Sorghum and others	-	-	Inst. l' Environnement & Recherches Agricole	Dr Elisabeth Zida	Danish Seed Health Centre	-
-	Ghana	CEP	Several	-	-	CSIR	Dr Danquah	Danish Seed Health Centre	-
-	Cameroon	Research collaboration, botanicals	Several	-	-	Université de Yaoundé	Julienne Nuguefac	Danish Seed Health Centre	-
Chitinases in biocontrol	Iran	Identification of the role of chitinases from the antagonistic Clonostachys rosea strain IK726 in biocontrol	-	Iranian government	2003-2007	-	Mojtaba Mamarabadi	LIFE	Dan Jensen, Mette Lübeck
Induced resistance in rice and pearl millet	Vietnam	Systemic Acquired Resistance - an eco-friendly strategy for managing diseases in rice and pearl millet	Rice and pearl millet	Danida-ENRECA	2002-2006	Can Tho University Vietnam	Thi Thu Nga Nguyen	LIFE	Egil Neergaard, Hans Jørgensen
Induced resistance in rice and pearl millet	India	Systemic Acquired Resistance - an eco-friendly strategy for managing diseases in rice and pearl millet	Rice and pearl millet	Danida-ENRECA	2002-2006	University of Mysore, India	Basavaraju Puttalingaiah	LIFE	Egil Neergaard, Hans Jørgensen
Biofortification of cassava, Plant biochemistry		Producing acyanogenic carotenoid containing cassavalines	cassava	FTP	3 year	none			(Birger Møller, Kirsten Jørgensen)
Improvement of the nutritional value of cassava: high storage protein content and no cyanide liberating toxins. (Birger Møller, Kirsten Jørgensen)		Enhancing the protein content in african elite lines	cassava	Danida	3 year	1			(Birger Møller, Kirsten Jørgensen)

Title	Country	Topic	Crop/s	Financing	Period from-to	Partner/s - recipient country	Contact person - recipient country	Danish organisation	Contact person - Denmark
Improvement of Producing acyanogenic IITA elite cassava lines, Plant biochemistry (Birger Møller, Kirsten Jørgensen)		molecular breeding of IITA elite cassava lines	cassava	IITA	2006-2008	IITA			
Photo-inhibition in rice grown in sulfur-deficient soils.	Philippines	Plant biochemistry	Rice	RUF/FFU	2003-2007	IRRI	John Bennet	LIFE	Anna Haldrup, Gitte Krasilnikoff, Agnieszka Zygodlo
Integrated approach to improve rice production systems in Mekong Delta	Vietnam	Integrated disease and nutrient management in rice production systems	Rice	Danida (FFU)	2007-2010	Can Tho University, CLRRRI	-	LIFE	Jan Sørensen, Hans Jørgensen
Educational strengthening	Poland +Egypt	Establishing a new Master degree in Seed Science and Technology	All	EU (Tempus)	2007-2009	Poznan University + 4 Egyptian Universities	-	LIFE	Jan Torp
Metabolic engineering of glucosinolates into potato	Peru	Development of potatoes with improved disease resistance using biotechnological tools inspired from the Andes mashua crop	Potato	Danida (FFU)	2004-2007	CIP, PUCP (Lima university)	Fernando Geu Flores	LIFE	Barbera Halkjær
Potato late blight	Andean Ecuador	Improving potato late blight control strategies for resource-poor farmers in low input agriculture	Potato	PLBIO	6 month	CIP	-	LIFE	Lisa Munk, Peter Kromann
Microarray set up		Plant biochemistry	Cassava	DPB funding + IITA	-	IITA		LIFE	Birger Møller, Søren Bak, Kirsten Jørgensen
